

AW1F

Standard
Wax Ribbon

Ribbon for
flat head printers

Smear-resistant

Specifications

- Good print stability
- Excellent print image at low temperatures
- High material compatibility
- Resin-enhanced wax quality for a printing speed up to 400 mm/sec.

Customer Expectations

- Competitive price-performance ratio
- Higher printing speed with consistent quality
- Good imprint on pre-printed surfaces
- Different types of material can be printed with the same ribbon

The Solution - AW1F is the solution from Toshiba for all these customer expectations

AW1F is a premium quality offering very good performance.

AW1F is compatible with many paper materials and also enables a high printing speed.

AW1F offers good resistance within its class.

The outstanding properties of the wax ribbon highlight the reliable performance of the Toshiba flat head printers B-FV4, B-SA4, BA410, BA420, B-852, B-EX4T2 and B-EX6T3.

Original consumables from Toshiba help to protect your investment.
